

**CURRICULUM VITAE**

NAME: **Mousa Yousef Abu Harbid**  
DATE OF BIRTH: **27 Jun, 1996**  
YEARS OF EXPERIENCE: **5 years**  
NATIONALITY: **Palestinian**

**EDUCATION:**

B.Sc. in **Civil Engineering** from Islamic University of Gaza, 2019 & GPA **86.07%**

**COMPUTER SKILLS:**

AutoCAD, Microsoft Office ( Word, Excel and PowerPoint ), Civil 3D, MS Project, Revit, Robot, Etabs and Safe.  
Reinforced Concrete Design By ACI Code,

**KEY QUALIFICATIONS:**

I have extensive experience in Civil planning and design, consulting and construction supervision. I also gained a good experience in diverse fields during my work in my own business since I was undergraduate. I have a good practical experience in the design, implementation, preparation/review of tender documents and supervision of the major infrastructure and Civil works.

Immediately after graduation, I worked on several projects as a civil engineer and administrative work. I have skills in cost estimates, drawings, technical specifications, materials inspection, reporting, and evaluation. In addition, I successfully designed, supervised, tested, commissioning and startup the installation of civil works for many projects. Furthermore, I work well in a team, with good skills in communication and have particularly extensive skills in using computer and CAD packages.

**EXPERIENCE RECORD:****Global Communities****Project name : Gaza Household WASH Activity - GHW**

**April 2023 To October 2023.**

**Fellow Engineer**
